

Basic Requirements to be considered for Distributorship

There are a few things we require before discussing possible distributorships. Plus, you must already have a system. Unfortunately we find people just want to be a distributor to get a discount on an unit and then never do anything.

1. Are you over 21?
2. Do you currently have a business website or Business FB page?
3. Do you have a Tax ID number?
4. Do you have sales experience
5. Are you financially able to purchase products upfront? Roughly \$1500.00 a month
6. What is your background?
7. What is your involvement in horses?
8. Where are you located?

Must answer yes to first 5 to be considered. If you have been able to answer the 5 then let's complete an application!
